CONFERENCE PROGRAM DESCRIPTIVE

The purpose of the 14th Annual Conference on Alzheimer's Disease and Psychiatric Disorders in the Elderly is to inform, educate and train all who are involved in the care of persons with Alzheimer's disease, dementia and psychiatric disorders. The conference provides a unique forum for professional interactions, networking, and one-on-one contact to discuss issues and ask those important questions to some of our state's leaders.

Program Objectives:

- To discuss clinical assessment, diagnosis and treatment of the elderly with dementia, mental illness, intellectual and developmental disabilities.
- To apply ethical considerations in geriatric mental health treatment and end of life issues.
- To make informed referrals to appropriate services for the aging.
- To demonstrate clinical understanding of therapeutic activities, cultural diversity, and safety issues in the geriatric population.

The educational portion of this activity is sponsored by the Department of Mental Health, Division of Professional Development. Continuing education is a separate registration which is required at the beginning of the conference. The Division of Professional Development may be offering from 8 to 13 hours of continuing education credit for disciplines listed below. Planning forms have been submitted for review for continuing education credit for the following:
