Has A Report Been Made Within the Agency?
Mark “yes” here to acknowledge that a report of the incident has been made to the proper authoritative body within the agency. For example, the agency may have a Risk Management Department to which all incidents should be reported internally. Or, if the agency does not have a formal Risk Management Department, mark “yes” if a report has been made to the Executive Director.

If yes, to whom has the Report of Incident been made?
Provide the names and positions of each person to whom the incident has been reported.

At the time of this report, is the Agency conducting an Internal Investigation?
Mark “yes” if the agency is conducting its own internal investigation.

If yes, is the Agency’s Investigation Active or Closed?
If the investigation is ongoing, mark “Active.” If the investigation has been completed, mark “closed.”

Is this a high visibility Incident?
Visibility refers to the likelihood that the incident will be reported by the media. If there is a good possibility that the incident will be reported in the media, check “yes.”
