

Mississippi Educators

- Do you know how to recognize the signs of mental illness in a young person?
- What if there was something you could do to help youth in your school or community?

Youth Mental Health First Aid Training

- This free, 8-hour training, is being offered in partnership with Community Mental Health Centers across the state during the summer of 2020.
- This training has been approved to offer continued education units for educators and school resource officers.
- Space is limited and lunch will be on your own.

Who Should Take This Training:

- Teachers
- School staff
- Youth group leaders
- Camp counselors
- Coaches
- Parents/Caregivers
- People who work with youth
