Subject: Training on CPT Codes

Issue Date: March 4, 2013

Effective Date: N/A

Scope

All DMH Certified Providers

Purpose

To notify providers about upcoming training related to newly implemented Current Procedural Terminology (CPT) Codes

Background

Effective January 1, 2013 there were substantial changes to coding and billing for providers of behavioral healthcare services. These changes have, and continue to bring about many questions and impact service delivery in our state.

Subject

DMH is partnering with the National Council for Community Behavioral Healthcare and MTM Services to provide training to help address your questions related to compliance with CPT Codes, the use of E/M codes and CPT Time Rules. **The training will take place Friday, March 15, 2013 at Table 100 in Flowood, MS.** An agenda is attached for your review.

Due to the demand for the information and limited availability of space, we ask that you pre-register for the training. Please contact Kala Booth at kala.booth@dmh.state.ms.us or 601-359-1288 to register.
