Introduction

The Mississippi Department of Mental Health (DMH) certifies, provides and/or financially supports a network of services for people with mental illness, intellectual/developmental disabilities, and substance use disorders. It is DMH's goal to improve the lives of Mississippians by supporting a better tomorrow one person at a time.

The Department employs approximately 5400 employees throughout the state at a regional behavioral health program; a regional program for persons with intellectual and developmental disabilities; or at the central office.

Project Overview

DMH seeks to contract with an experienced consultant to develop a succession planning program that ensures leadership continuity in key positions within the organization. The consultant will develop a model for the agency; provide recommendations on assessing candidates to participate; develop and facilitate leadership development opportunities and training; and develop strategies for knowledge transfer.
