Section 1 – Background, Authority, and Purpose

The Department of Mental Health (hereinafter “Agency”) has issued this solicitation for the purpose of soliciting sealed bids from qualified bidders to continue and expand the Agency’s outreach efforts for the state’s Behind the Mask Campaign. In December 2020, the Mississippi Department of Mental Health (DMH) announced a new awareness campaign titled “Behind the Mask” to promote mental health services for Mississippians during the COVID-19 pandemic. The campaign was funded through an Emergency Response to COVID-19 grant from the Substance Abuse and Mental Health Services Administration (SAMHSA). This campaign is designed to encourage individuals facing mental health and/or alcohol and drug addiction problems not to hide “behind the mask,” but to seek help for their mental health problems, to understand that the pandemic has affected all types of people around the state, and to realize that these issues are common.

The “Behind the Mask” campaign has received supplemental funding from SAMHSA and is being used to encourage people to reach out to mental health providers for help through use of customized social media images, press releases, PowerPoint presentations, informational cards, and posters. Additionally, the Behind the Mask website (www.behindthemaskms.com) allow users to take a mental health screening, find services in their counties through an interactive map, learn helpful coping strategies, and read testimonials of other Mississippians who have received services for mental health or substance use problems as a result of the COVID-19 pandemic.

A special focus of the grant is reaching Mississippians who are working on the frontlines of the COVID-19 pandemic. These include employees of the primary and mental healthcare, news media, transportation, and manufacturing fields, as well as first responders, educators, childcare workers, farmers, grocery, hospitality, and convenience store staff. With the supplemental funding, DMH will continue and expand outreach efforts for the Behind the Mask campaign to encourage help-seeking behaviors and make access to mental health and alcohol and drug treatment services for all Mississippians, but with a personalized approach to the frontline workers.

The MS Department of Mental Health is requesting sealed bids for the purpose of identifying an experienced contractor to continue and expand outreach efforts for the Behind the Mask Campaign. This campaign seeks to encourage help-seeking behaviors and make access to mental health and alcohol and drug treatment services for all Mississippians, but with a personalized approach to the frontline workers. The Contractor shall perform and complete in a timely and satisfactory manner the services described in Attachment "H" captioned "Scope of Work", which is attached hereto and made a part hereof by reference. The scope of work is from procurement IFB Rfx Number 3160004696 which was issued by the Agency and incorporated herein by reference.

- 4.1.2 Contractor-Furnished Property:** The contractor will provide all necessary equipment, supplies and promotional materials.

4.1.3 Quality Assurance: The contractor will provide project updates to the agency contact through each phase of the project. Deliverable must be met prior to the submission of an invoice for services.

4.2 The Contractor shall:

4.2.1 Assign a Contractor Account Representative to work directly with the Contracting Agency Representative.

4.2.2 All state facilities are non-smoking; the Contractor and its personnel must adhere to this requirement. The use of tobacco products is prohibited, except within designated smoking areas.

4.2.3 Contractors are required to sign-in and sign-out at most state facilities. Security provisions for all state facilities must be strictly observed.

No statement within this IFB shall negate compliance with any applicable governing regulation. 4.3 Contractors shall also:

4.3.1 Administer and maintain all employment and payroll records, payroll processing, and payment of payroll checks and taxes, including the deductions required by state, federal, and local laws such as social security and withholding taxes for their business and employees;

- 4.3.4 Replace immediately, at no additional expense to the Contracting Agency, any employee not performing satisfactorily.

Section 5 - Basis for Award

- 5.1 All bids will be reviewed first to determine whether a vendor is responsive, responsible, and/or acceptable. Requirements are not assigned a point percentage and/or score but are instead simply recorded as PASS or FAIL. Bids with errors that do not alter the substance of the bid can be accepted, and the Agency Chief Procurement Officer may allow the bidder to correct the problem prior to review as long as the irregularities are insignificant mistakes that can be waived or corrected without prejudice to other bidders.
- 5.2 The agency has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a bidder with the bid for the agency to properly evaluate the bid, the agency has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.
- 5.3 All bids which are determined to be responsive, responsible, and/or acceptable will continue on to the price bid or cost evaluation. The lowest cost bid will receive the maximum 100 points allocated to cost. The point allocations for cost on the other bids will be evaluated according to the following formula:
$$\text{Price of the lowest responsive and responsible bid} \div \text{price of the responsive and responsible bid being rated} \times \text{the maximum 100 points allocated for cost} = \text{the awarded points}.$$
- 5.4 The agency intends to award one contract to provide the services described in this IFB to the lowest responsible and responsive bidder.

Section 6 – Minimum Bidder Qualifications

The vendor must have:

- 6.1 **Prior Experience:** Contractor must have been in business and provided services similar in requirements and scale to those described in this IFB for a minimum of three (3) years. Work

Documentation of experienced staff and proof of the ability to produce content and provide direct reach to the targeted audience through email/data marketing platforms must also be provided in order to be deemed a responsible bidder.

6.2 Budget: Bids in excess of \$100,000.00 will be considered non-responsive and will not be evaluated.

6.3 A minimum score of six (6) on the Reference Score Sheet (Attachment D) from reference interviews by agency staff with two (2) bidder references (for a total minimum scoring requirement of twelve (12) points), as well as all other requirements of this IFB.

6.4 The bidder may be required before the award of any contract to show to the complete satisfaction of the agency that it has the necessary facilities, ability, and financial resources to provide the service specified therein in a satisfactory manner. The bidder may also be required to give a past history and references in order to satisfy the agency in regard to the bidder's qualifications. The agency may make reasonable investigations deemed necessary and proper to determine the ability of the bidder to perform the work, and the bidder shall furnish to the agency all information for this purpose that may be requested. The agency reserves the right to reject any bid if the evidence submitted by, or investigation of, the bidder fails to satisfy the agency that the bidder is properly qualified to carry out the obligations of the contract and to complete the work described therein. Evaluation of the bidder's qualifications shall include:

1. the ability, capacity, skill, and financial resources to perform the work or provide the service required;
2. the ability of the bidder to perform the work or provide the service promptly or within the time specified, without delay or interference;

8.1 Submission Format

These references must be familiar with the bidder's abilities in the areas involved with this solicitation. Agency staff will use these references to determine the bidder's ability to perform the services. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. **Agency staff must be able to reach two (2) references for a bidder within two (2) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of six (6) points on each Reference Score Sheet which will be used by the agency staff when interviewing the two (2) references (for a total minimum scoring requirement of twelve (12) points) to be considered responsive and/or responsible.** (See **Section 6.5 and Attachments C and D.**) Only bidders who are found responsive and/or responsible will have their bids considered. SEALED BID – DO NOT OPEN

8.2.4 All bid packages must be received by the agency no later than 9:00 AM CST, December 21, 2021. Bids submitted via facsimile (fax) machine **will not** be accepted. It is suggested that if a bid is mailed to the agency, it should be posted in certified mail with a return receipt requested. The agency will not be responsible for mail delays or lost mail. All risk of late arrival due to unanticipated delay – whether delivered by hand, U.S. Postal Service, courier or other delivery service or method – is entirely on the vendor. All vendors are urged to take the possibility of delay into account when submitting a bid.

8.2.5 Timely submission of the bid package is the responsibility of the bidder. Bids received after the specified time will be rejected and maintained unopened in the procurement file. A bid received at the place designated in the solicitation for receipt of bids after the exact time specified for receipt will not be considered unless it has been determined by the agency that the late receipt was due solely to mishandling by the agency after receipt at the specified address.

8.2.6 The time and date of receipt will be indicated on the sealed bid envelope or package by agency staff. The only acceptable evidence to establish the time of receipt at the office identified for bid opening is the time and date stamp of that office on the bid wrapper or other documentary evidence of receipt used by that office.

8.2.7 Each page of the bid form and all attachments shall be identified with the name of the bidder.

8.2.8 Failure to submit a bid on the bid form provided will be considered cause for rejection of the bid. **Modifications or additions to any portion of the bid document may be cause for rejection of the bid.** The agency reserves the right to decide, on a case-by-case basis, whether to reject a bid with modifications or additions as non-responsive.

8.2.9 Bidders taking exception to any part or section of the solicitation shall indicate such exceptions on the IFB Exception(s) form, **Attachment G**. Failure to indicate

any exception will be interpreted as the bidder's intent to comply fully with the requirements as written. Conditional or qualified bids, unless specifically allowed, shall be subject to rejection in whole or in part. The bid must contain a high degree of acceptance of contract terms and conditions listed in **Attachment E and F** of this IFB.

8.2.10 A bid response that includes terms and conditions that do not conform to the terms and conditions in the bid document is subject to rejection as non-responsive. The agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the agency of non-responsiveness based on the submission of nonconforming terms and conditions.

8.2.11 As a precondition to bid acceptance, the agency may request the bidder to withdraw or modify those portions of the bid deemed non-responsive that do not affect quality, quantity, price, or delivery of the service.

8.2.12 Any bidder claiming that its response contains information exempt from the Mississippi Public Records Act (Miss. Code Ann. §§ 25-61-1 *et seq.* and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption.

Section 9 – Bidder Certification

The bidder agrees that submission of a signed bid form is certification that the bidder will accept an award made to it as a result of the submission.

Section 10 – Debarment

By submitting a bid, the bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi.

Section 11 – Registration with Mississippi Secretary of State

By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by the agency that it has been selected for contract award.

Section 12 – Insurance, Bonds, or Other Sureties

12.1 Each successful bidder shall, at its own expense, obtain and maintain insurance, bond, or other surety which shall include the following types and coverage limits:

12.1.1 Workers Compensation coverage as required by the State of Mississippi. The policy shall provide coverage for all states of operation that apply to the performance of scope of work.

12.1.2 Comprehensive General Liability or Professional Liability insurance, with minimum limits of \$500,000 per occurrence.

12.2 Additionally:

12.2.1 In no event shall the requirement for an insurance, bond, or other surety be waived.

12.2.2 All insurances policies will list the State of Mississippi as an additional insured.

12.2.3 All insurance policies shall be issued by companies authorized to do business under the laws of the State of Mississippi, meaning insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.

12.2.4 Contractor shall submit to Agency within seven (7) days of notification of intent to award, a certificate of insurance and/or bond which outlines the coverage and limits defined in the procurement and contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within the seven (7) day period may be cause for your bid to be declared non-responsive or for your contract to be cancelled.

12.2.5 Contractor shall obtain at Contractor's expense the insurance and/or bond requirements specified in the procurement and contract prior to performing under this Contract, and Contractor shall maintain the required insurance and/or bond coverage throughout the duration of this Contract and all warranty periods. - 12.2.10** There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance and/or bond coverage(s) to Agency. Any failure to comply with the reporting provisions of this clause shall constitute a material breach of Contract and shall be grounds for immediate termination of this Contract by Agency.

Section 13 – Bid Opening

Bid opening will be open to the public; however, this will include opening, reading, and listing the name of each bidder and the bid price of each bid only. No discussions will be entered into with any bidder as to the quality or provisions of the specifications and no award will be made either stated or implied at the bid opening.

Section 14 – Award Notification

Award(s) for this procurement will be posted on the Mississippi Contract/Procurement Opportunity Search Portal website and the agency website at <http://www.dmh.ms.gov>. Bidders will be notified via e-mail of the awards. Additionally, a letter will be sent to all bidders.

At no time shall any bidder or its personnel contact, or attempt to contact, any agency staff regarding this IFB except the contact person as set forth and, in the manner, prescribed in Section 3.

15.2 Bidder Investigations

Before submitting a bid, each bidder shall make all investigations and examinations necessary to ascertain all site conditions and requirements affecting the full performance of the contract and to verify any representations made by the agency upon which the bidder will

rely. If the bidder receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever for additional compensation.

15.3 Expenses Incurred in Preparing Bid

The agency accepts no responsibility for any expense incurred by any bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

15.4 Independent Price Determination

By submitting a bid, the bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices bid. The prices quoted shall be inclusive of, but not limited to the following: all required labor; all required equipment/material; all required insurance, bond, or other surety; all required overhead; all required profit; all required vehicles; all required fuel and mileage; all required labor and supervision; all required training; all required business and professional licenses, certifications, fees, or permits; and any and all other costs]. All pricing should include all associated costs with no additional or hidden fees.

15.5 Rejection of Bids

A bid response that includes terms and conditions that do not conform to the terms and conditions in the IFB document is subject to rejection as non-responsive. Further, submission of a bid form that is not complete and/or signed is subject to rejection as non-responsive. The agency reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by the agency staff of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if a bidder's price is substantially higher than those of other bidders, meaning those in excess of a twenty-five percent (25%) differential, the bidder's price will be deemed non-responsive.

15.6 Withdrawal of Bids

If the price bid is substantially lower than those of other bidders, a mistake may have been made. A bidder may withdraw its bid from consideration if certain conditions are met:

- (1) The bid is submitted in good faith;
- (2) The price bid is substantially lower than those of other bidders because of a mistake;
- (3) The mistake is a clerical error, not an error of judgment; and,

- (4) Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

To withdraw a bid that includes a clerical error after bid opening, the bidder must give notice in writing to the agency of claim of right to withdraw a bid. Within two (2) business days after the bid opening, the bidder requesting withdrawal must provide to the agency all original work papers, documents, and other materials used in the preparation of the bid.

A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to the agency. No explanation is required.

No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work for the person to whom the contract is awarded, or otherwise benefit from the contract.

No partial withdrawals of a bid are permitted after the time and date set for the bid opening; only complete withdrawals are permitted.

15.7 Post-Award Vendor Debriefing

A bidder, successful or unsuccessful, may request a post-award vendor debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by Toni Johnson, Procurement Officer within three (3) business days of notification of the contract award. A post-award vendor debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within three (3) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify Toni Johnson, Procurement Officer in writing and identify its attorney by name, address, and telephone number. The agency will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Vendor Debriefing, as well as the information that may be provided and excluded, please see Section 7-113 through 7-113.07, Post-Award Vendor Debriefing, of the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB.

The protest shall be submitted within seven (7) calendar days of notification of the contract award or on or before 4:00 PM CST, January 3, 2022, in writing after such aggrieved person or entity knows

or should have known of the facts giving rise thereto. The written protest letter shall contain an explanation of the specific basis for the protest. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) and regulation(s) or procedure(s) on which the protest is based. The protesting bidder must provide facts and evidence to support the protest. Any contract entered into with the Contracting Agency pursuant to this IFB shall have the required clauses found in Attachment E and those required by the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB. The agency discourages exceptions from these required clauses. Such exceptions may cause a bid to be rejected as non-responsive. Bids which condition the bid based upon the State accepting other terms and conditions not found in the IFB, or which take exception to the State's terms and conditions, may be found non-responsive, and no further consideration of the bid will be given.

Section 17 – Optional Contract Terms and Conditions

Any contract entered into with the Contracting Agency pursuant this IFB may have at the discretion of the Contracting Agency, the optional clauses found in Attachment F and those within the *PPRB OPSCR Rules and Regulations* as updated and replaced by PPRB. The agency discourages exceptions from these optional clauses. Such exceptions may cause a bid to be rejected as non-responsive. REQUIRED CLAUSES FOR SERVICE CONTRACTS RESULTING FROM THIS IFB

1. Applicable Law: The contract shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of law's provisions, and any litigation with respect thereto shall be brought in the courts of the State. Contractor shall comply with applicable federal, state, and local laws and regulations.
2. Approval: It is understood that if this contract requires approval by the Public Procurement Review Board and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review and this contract is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made hereunder.
3. Availability of Funds: It is expressly understood and agreed that the obligation of the Agency to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Agency, the Agency shall have the right upon ten (10) working days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expenses to the Agency of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.
4. Compliance with Laws: Contractor understands that the State of Mississippi is an equal opportunity employer and therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful, and Contractor agrees during the term of the agreement that Contractor will strictly adhere to this policy in its employment practices and provision of services. Contractor shall comply with, and all activities under this agreement shall be subject to, all applicable federal, State of Mississippi, and local laws and regulations, as now existing and as may be amended or modified.
5. E-Payment: Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-301 *et seq.*
6. E-Verification: If applicable, Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act of 2008 and will register and participate in the status

verification system for all newly hired employees. Mississippi Code Annotated §§ 71-11-1 *et seq.*... The term “employee” as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, “status verification system” means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such verification. - b. the loss of any license, permit, certification, or other document granted to Contractor by an agency, department, or governmental entity for the right to do business in Mississippi for up to one (1) year; or,
- c. both.

In the event of such cancellation/termination, Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

7. Insurance, Bond, or Other Surety: Contractor represents that it will, at its own expense, obtain and maintain insurance, bond, or other surety which shall include at a minimum, the following types and coverage limits:
 - a. **Workers Compensation** coverage as required by the State of Mississippi. The policy shall provide coverage for all states of operation that apply to the performance of scope of work.
 - b. **Comprehensive General Liability or Professional Liability** insurance, with minimum limits of \$500,000.00 per occurrence.
 - c. The Contractor is responsible for ensuring that any subcontractors provide adequate insurance and/or bond coverage for the activities arising out of subcontracts.

Additionally:

- In no event shall the requirement for an insurance, bond, or other surety be waived.
- All insurance policies will list the State of Mississippi as an additional insured.
- All insurance policies shall be issued by companies authorized to do business under the laws of the State of Mississippi, meaning insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.
- Contractor shall submit to Agency within seven (7) days of notification of intent to award, a certificate of insurance and/or bond which outlines the coverage and limits defined in

the procurement and contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within seven (7) day period may be cause for your bid to be declared non-responsive or for your contract to be cancelled.

- Contractor shall obtain at Contractor's expense the insurance and/or bond requirements specified in the procurement and contract prior to performing under this Contract, and Contractor shall maintain the required insurance and/or bond coverage throughout the duration of this Contract and all warranty periods. There are no provisions for exceptions to this requirement.
 - Contractor shall not commence work under this contract until it obtains all insurance and/or bond required under this provision and furnishes a certificate or other form showing proof of current coverage to the State. After work commences, the Contractor will keep in force all required insurance and/or bond until the contract is terminated or expires.
 - Contractor shall submit renewal certificates as appropriate during the term of the contract.
 - Contractor shall instruct the insurers to provide the Agency 30 days advance notice of any insurance cancellation.
 - Contractor shall ensure that should any of the above-described policies be cancelled before the expiration date thereof, or if there is a material change, potential exhaustion of aggregate limits or intent not to renew insurance and/or bond coverage(s), that written notice will be delivered to the Agency Chief Procurement Officer.
 - There shall be no cancellation, material change, potential exhaustion of aggregate limits or non-renewal of insurance and/or bond coverage(s) to Agency. Any failure to comply with the reporting provisions of this clause shall constitute a material breach of Contract and shall be grounds for immediate termination of this Contract by Agency.
8. Paymode: Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Contractor's choice. The State may, at its sole discretion, require Contractor to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Contractor understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.
9. Procurement Regulations: The contract shall be governed by the applicable provisions of the *PPRB OPSCR Rules and Regulations*, a copy of which is available at 501 North West Street, Suite 701E, Jackson, Mississippi 39201 for inspection, or downloadable at <http://www.DFA.ms.gov>.

- a. *Order to Stop Work:* The Chief Procurement Officer, may, by written order to Contractor at any time, and without notice to any surety, require Contractor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Contractor unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Chief Procurement Officer shall either:
 - i. cancel the stop work order; or,
 - ii. terminate the work covered by such order as provided in the Termination for Default clause or the Termination for Convenience clause of this contract.
- b. *Cancellation or Expiration of the Order:* If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the contract shall be modified in writing accordingly, if:
 - i. the stop work order results in an increase in the time required for, or in Contractor's cost properly allocable to, the performance of any part of this contract; and,
 - ii. Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Chief Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- c. *Termination of Stopped Work:* If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- d. *Adjustment of Price:* Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this contract.

13. Termination for Convenience:

- a. *Termination.* The Agency Head or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Agency Head or designee shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.
- b. *Contractor's Obligations.* Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop

work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head or designee may direct Contractor to assign Contractor's right, title, and interest under terminated orders or subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

14. Termination for Default:

- a. *Default.* If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Agency Head or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head or designee, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Agency Head or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- b. *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the Chief Procurement Officer, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest.
- c. *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Contractor such sums as the Agency Head or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- d. *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements.

Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled (in fixed-price contracts, "Termination for Convenience," in cost-reimbursement contracts, "Termination"). (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

- e. *Erroneous Termination for Default.* If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (d) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
- f. *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

15. Termination Upon Bankruptcy: This contract may be terminated in whole or in part by Agency upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

16. Trade Secrets, Commercial and Financial Information: It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.

Information identified by Contractor as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted.

Contractor agrees that under no circumstances shall the customer be obligated to pay any attorney's fees or costs of legal action to Contractor.
2. Change in Scope of Work: The Agency may order changes in the work consisting of additions, deletions, or other revisions within the general scope of the contract. No claims may be made by Contractor that the scope of the project or of Contractor's services has been changed, requiring changes to the amount of compensation to Contractor or other adjustments to the contract, unless such changes or adjustments have been made by written amendment to the contract signed by the Agency and Contractor.

If Contractor believes that any particular work is not within the scope of the project, is a material change, or will otherwise require more compensation to Contractor, Contractor must immediately notify the Agency in writing of this belief. If the Agency believes that the particular work is within the scope of the contract as written, Contractor will be ordered to and shall continue with the work as changed and at the cost stated for the work within the contract.

3. Confidentiality: Notwithstanding any provision to the contrary contained herein, it is recognized that Agency is a public agency of the State of Mississippi and is subject to the Mississippi Public Records Act. Mississippi Code Annotated §§ 25-61-1 *et seq.*. If a public records request is made for any information provided to Agency pursuant to the agreement and designated by the Contractor in writing as trade secrets or other proprietary confidential information, Agency shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information. The Agency shall not be liable to the Contractor for disclosure of information required by court order or required by law.
4. Disclosure of Confidential Information: In the event that either party to this agreement receives notice that a third party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of confidential or otherwise protected information that party shall promptly inform the other party and thereafter respond in conformity with such subpoena to the extent mandated by law. This section shall survive the termination or completion of this agreement. The parties agree that this section is subject to and superseded by Mississippi Code Annotated §§ 25-61-1 *et seq.*

5. Failure to Deliver: In the event of failure of Contractor to deliver services in accordance with the contract terms and conditions, the Agency, after due oral or written notice, may procure the services from other sources and hold Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the Agency may have.
6. Failure to Enforce: Failure by the Agency at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the Agency to enforce any provision at any time in accordance with its terms.
7. Indemnification: To the fullest extent allowed by law, Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the agency, its commissioners, board members, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever including, without limitation, court costs, investigative fees and expenses, and attorney's fees, arising out of or caused by Contractor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the State's sole discretion upon approval of the Office of the Mississippi Attorney General, Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Contractor defends said claim, suit, etc., Contractor shall use legal counsel acceptable to the Office of the Mississippi Attorney General. Contractor shall be solely responsible for all costs and/or expenses associated with such defense, and the State shall be entitled to participate in said defense. Contractor shall not settle any claim, suit, etc. without the concurrence of the Office of the Mississippi Attorney General, which shall not be unreasonably withheld.
8. Independent Contractor Status: Contractor shall, at all times, be regarded as and shall be legally considered an independent contractor and shall at no time act as an agent for the State. Nothing contained herein shall be deemed or construed by the State, Contractor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer, and employee, or any similar such relationship between the State and Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of the State or Contractor hereunder creates or shall be deemed to create a relationship other than the independent relationship of the State and Contractor. Contractor's personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the State. Neither Contractor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the agency, and the Agency shall be at no time legally responsible for any negligence or other wrongdoing by Contractor, its servants, agents, or employees. The Agency shall not withhold from the contract payments to Contractor any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to Contractor. Contractor shall deliver such documents and work papers to Agency upon termination or completion of the agreement. The foregoing notwithstanding, Contractor shall be entitled to retain a set of such work papers for its files. Contractor shall be entitled to use such work papers only after receiving written permission from Agency and subject to any copyright protections.
12. **Record Retention and Access to Records:** Provided Contractor is given reasonable advance written notice and such inspection is made during normal business hours of Contractor, the State or any duly authorized representatives shall have unimpeded, prompt access to any of Contractor's books, documents, papers, and/or records which are maintained or produced as a result of the project for the purpose of making audits, examinations, excerpts, and transcriptions. Attachment H SCOPE OF SERVICES

Continue and expand the outreach and awareness efforts for the Behind the Mask Campaign – a campaign aimed at encouraging help-seeking behaviors and make access to mental health and alcohol and drug treatment services for all Mississippians, but with a personalized approach to the frontline workers. The proposal should address plans for optimal use of funding to perform the following services:

- Reviewing existing artwork and provide any creative development to expand portfolio to that appeals to employees of frontline industries.
- Securing and purchasing statewide social media and traditional marketing opportunities such as radio, streaming and newspaper outlets to raise awareness of available services.
- Providing maintenance, updates, and security of the Behind the Mask website.
- Providing social media management of Behind the Mask content through existing DMH social media pages. Management would include development of content calendars, posting, monitoring, and performance reporting of posts and advertisements.
- Engaging DMH through scheduled planning and communication meetings on a regular basis, to be determined post-award.
- Seeking and purchasing opportunities for exhibiting and/or sponsorship at conference that would reach employees of frontline occupations.
- Securing no or low-cost outreach opportunities through outlets (i.e., local, and statewide media outlets, blogs, and newsletters) to promote the Behind the Mask campaign to employees of frontline occupations.
