

DMH Certified Providers Procedures for Requesting Technical Assistance/Training

The following procedure is in place for the purpose of tracking technical assistance requests, trainings, material supply, budgeting, etc. The Technical Assistance/Training will be provided by the appropriate staff of the Department of Mental Health (DMH), and/or a Certified Peer Support Specialist Professional (CPSSP).

1. A request may be submitted for Technical Assistance or to conduct any Training provided by the Department of Mental Health.
2. A Technical Assistance Request (TAR) form must be completed and submitted by the DMH certified provider. The TAR must be submitted 2-4 weeks prior to the requested date for the Training/Technical Assistance. This gives DMH staff enough time to reserve training space, prepare materials/supplies, etc.
3. Within four (4) days receipt of the request, the provider will be notified by DMH of the receipt and the request will be forwarded to the appropriate Bureau.
4. The provider will then be contacted by Bureau staff to schedule the requested Technical Assistance/Training date and location.
5. If provider has not been contacted within 10 days, email Monica Wilmoth at monica.wilmoth@dmh.ms.gov.

Technical Assistance – provide consultation such as process/procedures implementation, staffing and management to streamline or enhance services provided.

Training - employee development; provide instructions to improve performance or attain a required level of knowledge or skill; to educate.
