-IMPORTANT RENEWAL INFORMATION; PLEASE READ-

Verifying Continuing Education (CEs):

- Renewal continuing education (CE) hours are **NOT REPORTED AT THE TIME OF RENEWAL**. Sufficient documentation to this effect (e.g., training records; staff development printouts; official college transcripts, if utilizing college credit) should be housed with the Staff Development Officer (SDO) at your current place of employment. *You should also keep a personal copy of your continuing education (CE) records.*
- If you are unsure who your program’s designated SDO is, please contact the DMH Division of PLACE for assistance. (NOTE: If you change employment during a renewal cycle, it is your responsibility to provide your current SDO a copy of any training records from your previous place of employment that are needed to fulfill your renewal continuing education (CE) requirement.)

- The current DMH Addictions Therapist certification period is July 1, 2020, through June 30, 2022; CEs for renewal must have been accrued during this time frame.
- **To ensure that you have obtained the appropriate amount/type of CEs, please refer to the current DMH PLACE Professional Credentialing Rules and Requirements Effective Date – May 1, 2017, document for specific CE requirements** (e.g., ethics and cultural competency CE requirements; provisions regarding CEs obtained through online or distance learning; college credit taken, etc.). *This document is available online at the DMH website: www.dmh.ms.gov. Once on this website, click “PROVIDERS” then “PLACE.”*
- Individuals who obtained their CAT credential after the beginning of the current certification period (July 1, 2020), can still count appropriate CE hours which were earned **prior to having received their credential**, as long as these appropriate CE hours fall within the aforementioned time frame.
- If you are unsure whether or not a particular conference/workshop/course etc., will count towards your continuing education (CE) requirement, please have your Staff Development Officer (SDO) contact the Division of PLACE.
- **The DMH Division of PLACE reserves the right to audit continuing education (CE) records of renewed individuals to determine compliance with the renewal continuing education (CE) requirement.** If audited, you (in conjunction with your SDO) will be required to produce documentation to validate your completion of the renewal continuing education (CE) requirement. **Your signature on the Renewal Application Form denotes your understanding of this requirement.**
