

SUPPORTING HOPE AND PURPOSE

for Mississippians with Intellectual
and Developmental Disabilities

Through the ID/DD Waiver and IDD Community Support Program, the Mississippi Department of Mental Health is committed in charting a path for increased access to community-based care and supports through a network of service providers using a person-centered system of care.

Mississippi Department of Mental Health

Supporting a Better Tomorrow...One Person at a Time

IDD COMMUNITY SUPPORT PROGRAM (1915i)

Offering Support and Services for People with IDD and Autism Spectrum Disorders

ELIGIBILITY

The first step is undergoing an evaluation at your local Regional IDD Program. If you are determined eligible, you will be assigned a Targeted Case Manager to assist you with access to available services.

To be eligible, you must:

- Be 18 years of age or older
- Have full Medicaid benefits
- Have completed education
- Meet eligibility requirements

Eligibility is determined using a needs-based criteria

Services Provided

Day Services Adult - Assists individuals in gaining the greatest level of independence, while supporting them in meaningful activities of their choice throughout the day.

Prevocational Services - Teaches pre-employment skills and assists in exploring job opportunities in the community.

Supported Employment - Provides a job coach to assist in finding a job and training the person to work independently.

Supported Living - Provides persons who can live independently in their own home or apartment with limited support (maximum of eight hours per day) to access their community, pay bills, shop for groceries, access medical care, and other personal assistance, as needed.

In-Home Respite - Provides persons living in the family home with limited supports (maximum of four hours per day) with personal assistance and leisure activities, as needed.

For additional information, visit www.dmh.ms.gov or contact the Department of Mental Health at 601-359-1288.
